We would like to extend a mammoth thank you to all of our dedicated Official's, Volunteers, Supporters along with our event partners and of course to all who participated in the events throughout the year.

Are you
ready for
2019?

The Time Trial at Targa NZ 2018 in association with the Vintage Car Club proved to be such a success that we've now made this a new category at every Targa event.

Introducing the Targa Time Trial

The origins of Targa NZ date back to a time when average speeds and accuracy were the name of the game. If you have a car that you've wanted to get out of the garage to enjoy New Zealand's fabulous roads without the pressure of pushing your car to the limit, then this is the perfect opportunity for you!
