

#### One month to go!

Just one month to go folks before we commence our 25th Anniversary event. With that in mind, are you as ready as you can be?

Maps for Targa NZ 2019 have now been uploaded onto our website along with the Itinerary (which includes those handy Fuel Calculations for your Service Crews).

We've also uploaded our Service Book for you all to review.

Also on our website is the Function Form - have you completed this and sent it back? These must be in by Friday 18th October at the absolute latest.
