

# Thank you & congratulations!

Just like that Targa NZ 2019 has come to an end. We hope you all managed to get home safely and have returned to normality without the "post-Targa blues".

We would like to extend a huge thank you and congratulations to all of you; whether you're a competitor, tour participant, time trialist, official or volunteer, we simply couldn't run this fantastic event without your help. A further thank you to those who assisted with the use of service parks such as the schools and councils, and the community groups who provided the lunches throughout the week.

# Goodbye 2019, Hello 2020!

No time for rest! We're now onto planning our 2020 events and can now confirm the final dates have been locked in (the May event has been scheduled back to it's original date).
