

RallySafe Info: VCC Targa South Island Time Trial 2022

(Updated 1 August)

RallySafe GPS: 'RallySafe' tracking and timing technology will be used for this event.

Your vehicle must be fitted with an operational RallySafe unit, which must also be switched on from Scrutineering until the end of the event. Failure to comply will incur a penalty as set out in the 2022 AASA Targa NZ Seria Campione Series Regulations 15.2.18.

An overview of the RallySafe system, with a comprehensive instruction manual and training video is available via: <https://rallysafe.com.au/competitors-tm/>

It's essential that all entrants, (especially first-time entrants to the VCC time trial), read the instruction manual and view the RallySafe training video prior to this event.

RallySafe NZ will hire to VCC entrants and install in their car, all necessary fittings including display unit, suction cup, connector and 3 in 1 antenna (which sits on top of the unit), for NZ\$30 per car (including GST), for this event.

In addition, a **power cable** costing \$32 for a 3 metre lead or \$40 for a 5 metre lead **must be purchased and fitted (with an in-line 3 or max 5 amp fuse), to all vehicles prior to the event.**

Total fittings hire + power cable fee (including GST), is either NZ\$62 for fittings hire + 3 metre power cable or NZ\$70 for fittings hire + 5 metre cable.

(Any VCC entrants from 2018, 2019 or May 2022 who already have a power cable fitted to their car need only pay the NZ\$30 fittings hire fee).

Please note that the above costs are in addition to the RallySafe on-event access fee of \$190+GST for this event paid with your entry fee.

RallySafe BNZ bank account for payment of both fittings hire and power cable order (prior to dispatch), is named: **RS1NZ**, account number:- **02-0719-0007924-00**

Please include "Your Name" in Particulars, "Targa VCC" in Code and "2 Day TT" as Reference.

Email Buck Buchanan: buck@rallysafe.com.au confirming payment of your order, **along with delivery address for your power cable (if required).**

For further information call Buck on 027 497 5675.

NOTE: Please ensure that you have ordered and paid for fittings hire, or fittings hire fee plus power cable (and received it), at least 3 weeks prior to the event.

RallySafe NZ will install all necessary fittings (excluding power cable already fitted), following Scrutineering, 8.30am on Friday 14th October 2022, at the Annesbrook Event Centre, 40 Saxton Rd, Stoke, Nelson.

All units must be returned to Buck before leaving the event.
