

SERIES REGULATIONS GOVERNING THE 2024 AASA Targa NZ Seria Campione Tarmac Rally Championship

Preamble

Targa NZ & URG Promotions (NZ) Ltd hereby declares that the following Regulations to be those governing Competitors in the 2024 AASA Targa NZ Seria Campione Tarmac Rally Championship.

The Championship is held under authority from the AASA.

The Series is organised and held in accordance with the AASA (NZ) Limited, the Standing Regulations and any Supplementary Regulations applicable to and issued by the Organisers of each round of the Championship.

These articles are at all times to be read in conjunction with:

- > The AASA National Competition Rules (NCR) and its appropriate Appendices and Schedules.
- > AASA Standing Regulations for Tarmac Rallies.
- > These Series Regulations 2024 AASA Targa NZ Seria Campione.
- > The Technical Regulations - Schedule TR.
- > The Event Supplementary Regulations issued by the Club.

1 INTERPRETATION:

In these Articles, the definition of terms used within this Schedule shall be referenced from the AASA National Competition Rules, and as detailed below:

"The Championship" means the 2024 AASA Targa NZ Seria Campione Tarmac Rally Championship for cars complying with Schedule TR; and

"Co-Driver" means the occupant of the competing vehicle who is not the Principal Driver. A maximum of two (2) co-drivers per entrant is allowed; and

"Crew" means the Principal Driver and the Co-Driver of each competing vehicle; and

"National Competition Rules" or **"NCR"** means the National Competition Rules issued by AASA from time to time; and

"Official Rally Time" means the official New Zealand time as disseminated by Measurement Standards Laboratory of New Zealand (MSL) and which is accessed by telephoning 0800675846; and

"Organising and Eligibility Committee" or **"The Committee"** shall mean the representatives appointed to organize the Championship; and

"Principal Driver" means the registered crew member who actually drives the competing car on special stages of each qualifying round; and

"Round" means the rally at which drivers may score points towards the Championship; and

"Round Organiser" or **"Inviting Club"** means the Club organising a Meeting and/or Event which is a round of the Championship.

2 OBJECTS:

To encourage a diverse range of cars and drivers to compete against each other in a friendly yet competitive environment in the spirit of 'Targa Rallying'.

To provide a unique tarmac road rally championship that gives competitors the chance to tour the country and give back to the community.

3 ELIGIBILITY:

- 3.1 Licence requirements:** Drivers and Co-Drivers are required to hold an AASA NZ Rally Licence or equivalent AASA licence and a current civil driving licence or an AASA National Navigators Licence if not intending to drive. Dispensation maybe available upon request.
- 3.1.1** Crew members under the age of Sixteen (16) years are not permitted to compete, without prior written approval from the organising committee.
- 3.2** Eligibility shall be for vehicles complying with the specifications set out in Schedule TR.

7 POINTS and RESULTS:

7.1 Points will be recorded for each Competition by the Championship Coordinator and/or their nominated assistant/s, which will be allocated to all registered Crews in the Championship in accordance with Regulation 7.2 below toward their respective Competition title.

7.2 Points will be allocated in each Competition for each Leg of Competition as follows:

Placing	Points	Placing	Points
1 st	20	8 th	7
2 nd	16	9 th	6
3 rd	14	10 th	5
4 th	12	11 th	4
5 th	10	12 th	3
6 th	9	13 th	2
7 th	8	14 th	1

7.2.1 **Bonus Participation Points:** shall be awarded to each competitor on acceptance of entry to each Round competed in as follows:

Round	Event	Bonus Points
1	Targa Bambina	50
2	Targa (TBA)	50
3	Targa NZ	75

7.3 **The Competition winner** will be the competitor accumulating the highest points total from all Legs. In the event of a tie in points throughout the field, the competitor (from those tied on points) with the lowest elapsed time including any penalties over all Legs, will take the higher placing.

7.4 **Round Winners:** will be determined by the lowest accumulated stage times plus penalties for each Targa Competition.

7.5 Completing the Round: A competitor shall be deemed to have completed the Round provided they have no more than

- (a) Two (2) Maximum Target Times for Round 1 or 2
- (b) Three (3) Maximum Target Times for Round 3.

7.6 Controls – Targets – Lateness

- 7.6.1** (a) All competitors must check in on their due report time at all controls. (Unless invited in early by an Official). Early entry will incur a minute for minute penalty. Late arrival at control will incur a 10 second penalty per minute.
- (b) Any competitor arriving at a control after it has closed but still within their maximum lateness will be allocated an assessed time for the targets missed while touring to the next convenient control and re-joining the event.
- (c) A target section can be a road section, a service park, or from the start of one special stage to the start of the next special stage. In the latter case the target includes a special stage and the next road section. Controls may be set up at the start and finish of all target sections.
- (d) Any competitor who fails to complete a target section in its entirety, or fails to report to any Control, will incur penalties.
- (e) Any lateness exceeding 30 minutes on the target time between controls will result in the target maximum time penalties being applied as appropriate.

7.6.2 Maximum Target Times

Maximum Target Times will be allocated for all targets, and published on the Targa website before documentation commences.

Maximum Targa Times will be allocated for all targets not completed when a Temporary Withdrawal process has been instigated (unless an assessed time applies). Target Times will continue to be allocated until a Rejoin Notification has been received. If the number of Maximum Target Times is exceeded as per Regulation 7.5 the competitor may still rejoin, however they will then feature in the final classifications behind those competitors who have not exceeded the numbers in regulation 7.5 regardless of total elapsed time including any penalties.

7.7 Temporary Withdrawal

Any competitor who is unable to complete a Target for whatever reason and intends to continue must immediately inform Rally HQ or a CRO, fill in a Temporary Withdrawal Form for handing into a Targa Official. If Rally HQ and CRO are not contactable they must remain on the course and hand in the completed form to the 999 vehicle for transmission to Rally HQ.

8 REJOINING:

- 8.1** A competitor who fails to complete a target time of a Leg may, at the discretion of the Clerk of the Course, restart at any Time Control after handing in a completed rejoin form. This will apply to any competitor who has exceeded the latest allowable time limit or has failed to report to a control but will not apply where the car has been excluded for breach of eligibility requirements, traffic infringements or by a decision of the Stewards. To be eligible to rejoin, notification of temporary withdrawal must have been completed and handed to officials.

- 8.2** Any vehicle which fails to finish a Leg in accordance with the above may be repaired at the Competitor's discretion. The competing vehicle must retain the chassis and engine block as presented at the start of the Round. Prior to restarting the vehicle must pass safety inspection by the Scrutineers. If the repairs to the vehicle render that vehicle ineligible for the Category originally entered, then the competitor shall not feature in the final classifications.
- 8.3** If the withdrawal was as a result of an impact accident or a Crew member has received a medical stand-down, then a medical clearance to compete must be obtained prior to rejoining.
- 8.4** A Targa Event Competitor permanently withdrawing from the Competition may then, upon approval from the Clerk of the Course, enter the Tour at no additional cost with another vehicle for the remainder of this Round, provided the competitor and their vehicle comply with the Tour Licensing and Regulations.

9 ASSESSED STAGE TIME:

Will be allocated for any competitor who has stopped in stage to render assistance to a fellow competitor and has not been the cause of the stoppage. Assessed Stage Times will be calculated utilising the competitor's performance based on previous stage results.

- 9.1** Assessed Stage times will also be allocated to a competitor who is still within his late time but is unable to start a stage due to its closure.

10 PARC FERME:

- 10.1** Any Team Member can check the car into an end of leg Parc Ferme providing it is adjacent to a service park. Check in to Parc Ferme will be electronically monitored from Rally Base.
- 10.2 All competitors must have their vehicle in Parc Ferme by their due time plus lateness. Failure to do so will incur a 10 minute penalty**
- 10.3 Lateness for Temporary Withdrawals into end of Leg Parc Ferme is calculated by adding 29 minutes to the competitors start order for the Leg, in minutes, to the Parc Ferme due time for the first car.**
- 10.4** Competitors unable to return their vehicle to Parc Ferme prior to the first car commencing the following day will incur an additional time penalty of 2 minutes and start incurring maximums until able to re-join.
- 10.5** Parc Ferme for Competitors will finish **30 minutes** before their due Start Time for a Leg where only the crew may work on their vehicle.
- 10.6 Refuelling is prohibited.** Failure to comply will result in penalties.

11 ENTRY/PROVISIONAL START ORDER: START ORDER

- 11.1 Entry/Provisional Start Order:** Shall be determined by the Organisor and advised to competitors on the Targa Web Site in the lead up to the Event.

11.2 Start order: For Leg One shall be posted after the completion of documentation, and for all Legs on the Targa Web Site, and ChrisSport a minimum of eight (8) hours prior to the start of each Leg.

11.3 Start Order Subsequent Legs: Shall be based on merit or by a request via the CRO with approval from the Clerk of the Course.

12 SPECIAL STAGES:

12.1 Maximum Speed: The maximum speed in all Special Stages is **160kph for the Retro Targa and 200kph for the Targa Competition**. Failure by a competitor to observe this limit will incur a penalty in accordance with Regulation 15.2 subsection (19), (20) or (21). Notification of speeding will be communicated at the first available opportunity via a notice issued by a Stage Commander or the Competitor Relations Officer on behalf of the Clerk of the Course.

12.2 Headlamps, Daytime Driving Lights or Auxiliary Driving Lights: must be constantly illuminated on low beam in all Special Stages.

12.3 Overtaking: Must be completed to the right of the vehicle being overtaken and shall be initiated by the overtaking vehicle flashing their lights, or using the Push to Pass facility on the RallySafe unit. The vehicle being overtaken must move as far to the left as practicable as soon as it is safe to do so after acknowledging the presence of the overtaking vehicle by the activation of the left indicator. Failure to acknowledge the overtaking vehicle, or baulking, or overtaking incorrectly will result in penalties as per Regulation 15.2 subsection (15) or (16).

Where Stages are conducted on circuit's normal race circuit passing applies.

12.4 Should a stage be suspended or stopped for safety reasons then an Assessed Stage Time may be allocated, at the discretion of the Clerk of Course as per Regulation 9 for any competitor who is unable to complete the stage and whom was not the cause of the interruption.

12.5 Driving Behavior: Any occurrence or series of occurrences involving one or more competitors, or any actions by any competitor which has a detrimental effect on any competitor or competitors is not permitted and will be penalised. These occurrences include, but are not limited to:

- Baulking
- Cutting corners
- Bringing debris onto the special stage surface
- Damaging any chicanes or cones in the special stage.

13 SCRUTINEERING:

13.1 Any competing vehicles selected for audit shall be presented at the "Safety Audit Scrutineering" venue prior to each Round of the Championship. Upon completion of "Safety Audit Scrutineering", if a vehicle is found not to comply, the Clerk of the Course may either set a deadline before which the vehicle must be made to comply or exclude the vehicle from starting.

13.1.1 Competing vehicles may be permitted to have a safety audit performed in their locality prior to the Round if a list of scrutineers is published in event Supplementary Regulations. This inspection shall not replace any audit requirements required as above.

13.2 Checking of turbocharger: For all forced induction vehicles, a team member must be present (with appropriate tools) to remove the necessary ducting to enable access to the turbocharger and/or restrictor for checking purposes.

13.3 Technical Checking: The Championship Scrutineer may require any competing vehicle to be held at the end of each Leg for technical eligibility checking and/or safety inspection.

14 TYRES:

14.1 Type: There are no restrictions as to the make and model or number of tyres used by Participants. However, any tyre must comply with current NZTA warrant of fitness regulations.

15 PENALTIES, PROTESTS and APPEALS:

15.1 Penalties shall be applied in accordance with the prescribed TR Regulations, the Standing Regulations and the Event Supplementary Regulations, plus those listed below in 15.2. Time allocation for the Targa Competition and Points for Targa Retro.
