7 RESULTS

- 7.1 Round Winners:** Will be determined by the lowest accumulated points plus penalties at each round. Each round will have awards based on calculation of point and there will also be discretionary awards as itemised in **18**.
- 7.2 Completing the Round:** A competitor shall be deemed to have completed the Round provided they have no more than
- (a) Two (2) Maximum Target Times for Round 1 or 2
 - (b) Three (3) Maximum Target Times for Round 3.
- 7.3 Targets -- Controls – Lateness**
- (a) A target section can be a road section, a service park, or from the start of one special stage to the start of the next special stage. In the latter case the target includes a special stage and the next road section. Controls may be set up at the start and finish of all target sections. Early entry will incur a 60 point per minute penalty. Late arrival at control will incur a 10 point penalty per minute.
 - (b) Any competitor who fails to complete a target section in its entirety, or fails to report to any Control, will incur penalties.
 - (d) Any lateness exceeding 30 minutes on the target time between time controls will result in the target maximum time penalties being applied as appropriate.

- (d) Any competitor arriving at a control after it has closed but still within their maximum lateness will be allocated assessed times for targets missed while touring to the next convenient control and re-joining the event.

7.4 Maximum Target points: Will be allocated for all targets not completed when a Temporary Withdrawal process has been instigated (unless an assessed time applies). This Maximum Target points shall be 60 points. Maximum Target points will continue to be allocated until a Rejoin Notification has been received. If the number of Maximum Target points is exceeded as per Regulation 7.2 the competitor may still rejoin, however they will then feature in the final classifications behind those competitors who have not exceeded the numbers in regulation 7.2 regardless of total points including any penalties.

7.5 Temporary Withdrawal

Any competitor who is unable to complete a Target for whatever reason and intends to continue must immediately inform Rally HQ or a CRO, fill in a Temporary Withdrawal Form for handing into a Targa Official. If Rally HQ and CRO are not contactable they must remain on the course and hand in the completed form to 999 for transmission to Rally HQ.

8 REJOINING:

- 8.1** A competitor who fails to complete a target time of a Leg may, at the discretion of the Clerk of the Course, restart at any Time Control after handing in a completed rejoin form. This will apply to any competitor who has exceeded the latest allowable time limit or has failed to report to a control but will not apply where the car has been excluded for breach of eligibility requirements, traffic infringements or by a decision of the Stewards. To be eligible to rejoin, notification of temporary withdrawal must have been completed and handed to officials.
- 8.2** Any vehicle which fails to finish a Leg in accordance with the above may be repaired at the Competitor's discretion. The competing vehicle must retain the chassis and engine block as presented at the start of the Round. Prior to restarting the vehicle must pass safety inspection by the Scrutineers. If the repairs to the vehicle render that vehicle ineligible for the Category originally entered, then the competitor shall not feature in the final classifications.
- 8.3** If the withdrawal was as a result of an impact accident or a Crew member has received a medical stand-down, then a medical clearance to compete must be obtained prior to rejoining.
- 8.4** A competitor permanently withdrawing from the Time trial may then, upon approval from the Clerk of the Course, enter the Tour at no additional cost with another vehicle for the remainder of this Round, provided the competitor and their vehicle comply with the Tour Licensing and Regulations.

9 ASSESSED STAGE TIME:

Will be allocated for any competitor who has stopped in stage to render assistance to a fellow competitor and has not been the cause of the stoppage. Assessed Stage Times will be calculated utilising the competitor's performance based on previous stage results.

- 9.1 Assessed Stage times will also be allocated to a competitor who is still within his late time but is unable to start a stage due to its closure.

10 VEHICLE COMPLIANCE:

- 10.1 All vehicles shall comply with and display the NZ NZTA warrant of fitness and registration requirements.
- 10.2 Registration plates must be fitted on both front and rear of the vehicle for the duration of the event.
